The Ball game on last Saturday was somewhat of a disappointment to our people, who have more confidence in the ability of our team than the boys have in themselves.

Of course every body knew and is away above the average, and they being Hocking County boys our people have a good kind feeling for them, but that is no reason that they should come up to our city and pound our boys, in whom we have an especial pride, all out of shape, and dauce on them and crow and yell as if we had no feeling.

We knew our boys had a hard job on hand, and acknowledge that they had no business to go asleep and snore until the visitors had scored six big juicy runs before they woke up, but still we don't feel happy.

If at the end of the game the score had stood three to two in favor of Carbon Hill we think we could bave smiled, but eight to twelve, although the same ratio, breaks us all up
